- Graphics Design

PROJECTS

CHEF CAFE

Wordpress Website

I built a restaurant website using WordPress. In this website dynamic feature like a secure payment system, order tack, live chat, membership program and other features are integrated to seamless shopping experience.

OLYMPIA LEATHER

Static Website

Create a static website for buying house company. Using HTML CSS JAVASCRIPT. This project was designed and developed by me.

SOOLVERE

Static Website

Developed for digital agency portfolio website, ensuring responsive and user-friendly websites that meet requirements.

CAFEIN COFFEE

Wordpress WEbsite

Designed and developed a coffee shop to give an overview of the coffee shop and its products. sales funnel design to encourage visitors to visit the shop for an amazing experience
